

SPONSORSHIP MONEY SAVING BOX

Make my money box to collect donations for your Bubble Rush. Just cut out the shape, colour it in and stick it together and you're ready to go!

How to make your donations box:

- Ask an adult to help you with the printing out and cutting the shape.

1. Print out on a sheet of thin white card - set your printer to print landscape so to get the largest template.
2. Use coloured pens or pencils to colour your savings box.
3. Then cut around the shape with scissors - or get help from an adult.
4. Cut-out the slot on top of the box for your money to go in.
5. Fold along all the dotted lines before you start to stick the box together.
6. Use glue or double-sided tape on all the marked tabs - follow the numbers on the tabs when assembling.
7. Assemble your box and start saving!!!
